Varsity Fund and Update

In 1977, the University of Toronto will celebrate her 150th birthday, St. Michael's her 125th. St. Michael's, beginning in 1877, has made each successive 25th celebration a gala year. Some will remember 1927, more 1952. Whether by historical accident or not, a new and pressing need seems to emerge on each of these occasions. 1927 was the first awakening of the plans which expanded St. Michael's westward to Queen's Park: 1952, the building of Carr Hall. 1977 finds us bulging at the seams, once again. There is no place to move except south across St. Joseph Street. St. Basil's College and the Library are already there. We now plan, as befits the young, to go west from there. The University of Toronto owns the site and the buildings on it but since St. Michael's played a major role in obtaining it for the University from the government of Ontario, the University has given St. Michael's prior claim on its use. We propose to update the major building on the site, a four storey stone structure, No. 121.

Update is a five-year capital funds project of the University on the occasion of her 150th anniversary. Our move into 121 St. Joseph Street is the major St. Michael's part in *Update*. We are doing this in conjunction and collaboration with the University and St. Michael's hopes to benefit in the amount of \$850,000 from a successful *Update* programme, \$750,000, towards the refurbishing of 121 St. Joseph Street.

Update will seek support from all private sectors, corporations, foundations, major private benefactors, faculty, students and alumni. While St. Michael's hopes to benefit by \$500,000 from non-alumni sources, the success of *Update* is to a major extent dependent on alumni. *Update* is an addition to the Varsity Fund. Varsity Fund for all sectors of the University Community has been frozen at the amount raised in 1975, in St. Michael's case, \$120,000. The \$120,000 is our bread and butter (\$60,000 for Library, \$30,000 for Alumni programmes, \$10,000 student aid, \$10,000 for programme development and \$10,000 for special academic events, some of them to celebrate the 125th anniversary). All alumni are asked to make a special effort during the next five years, to add *Update* contributions to the regular Varsity Fund. In the case of St. Michael's, we will be attempting to reach \$150,000 in 1976 (\$120,000 Varsity Fund, \$30,000 *Update*). In each succeeding year, we are being asked by the University, to raise our sights by an additional \$20,000. The cumulative effect will be that at the end of five years, we will have raised \$350,000 towards *Update* from St. Michael's Alumni, this while continuing Varsity Fund support at the 1975 level.

This is a major challenge, probably the greatest in the last 25 years. It will be several times the amount raised from our Alumni in the National Fund of 1959-64 or in the Centennial Campaign of 1952. There is one major difference. St. Michael's now has over 10,000 living graduates, about three times as many as in either of the earlier campaigns. Success will require an effort on the part of all 10,000. Last year, our participation rate was about 20%. To be successful, we must improve on that. What a difference a contribution of \$10 from those who were unable to join Varisty Fund in 1975 would make! \$80,000! To do this, the St. Michael's Alumni will have to put the College high on their lists of priorities. Two thousand obviously do. We must make a significant addition to that number.

Every constituency in the University will be intensively engaged in *Update*. The University is making a major effort to maintain a superior quality of higher education. This simply cannot be done on government support which aims only at the average. St. Michael's is proud to be part of what is universally considered the best and most diversified university in Canada. The College (and this includes the Alumni) has attained a higher visibility and merited greater respect as the years progressed. We, and the term is used vicariously to include you, intend to maintain this momentum. At age 125, we look confidently to the future. The entire St. Michael's Community's best efforts are needed to ensure it. *Update* will be the taking out of this insurance policy.

John M. Kelly, CSB, President

Reunion Highlights

Miss Teresa O'Reilly, '16, represented her class at Mass and Brunch. A native of Wildfield, Ont., she came to university from Loretto Abbey. She was a First Class Honours student in Moderns, and won the Italian Prize in her final year.

While still an undergraduate in 1915, Miss O'Reilly led some of her fellow Loretto College students to the West and taught in an Alberta summer school. After graduation she had a distinguished career as a teacher of modern languages.

Alumni were happy to see again former Deans, Sr. Mary Aloysius, of Loretto, Sr. M. Blandina, of St. Joseph's, and among former professors, Sr. M. Dominica, CSJ, Sr. Frances Nims, IBVM, and Sr. M. Corinne, CSJ.

Three generations of one family were at the Alumni Mass: Marie (Foley) Garvey, '26, Mary Agnes (Garvey) Murphy, '51, and Joanne Murphy, '75.

Concelebrating with Cardinal Flahiff were: Monsignor Harrigan, and Frs. Burke, Bussey, Hussey, Kelly, and Robert Madden. Fr. Kelly gave the homily.

Reminiscences flowed among alumni and former presidents, registrars, deans of residence, librarians, and professors: E.J. McCorkell, B.F. Sullivan, E.C. LeBel, L.K. Shook, R.J. Scollard, J.R. O'Donnell, R.J. MacDonald, E.B. Allen, Marshall McLuhan, and Larry Lynch.

At the conclusion of the Sunday Brunch, Nick Belak, '51, spoke for all the classes in thanking Fr. Kelly and St. Michael's for a most enjoyable reunion.

Greetings were wired by 51's: Frank Burke-Gaffney from Calgary, and Frank Byrne from Honolulu.

**Principal
L. E. M. Lynch**

Alumni will be happy to hear of the appointment of Lawrence Edward Lynch as Principal of the University of St. Michael's College. He took office on July 1.

Larry is well known to alumni of his own years as an undergraduate. Among other activities he won the "M", and the "T" in football. Later he was a graduate student in the Pontifical Institute of Mediaeval Studies and in the U. of T. where he was awarded the M.S.L. and Ph.D.

He is well known to many more as Professor of Philosophy and as Chairman of that department from 1960 to 1975.

He has been a highly esteemed member of the St. Michael's and of the University of Toronto community. His service on the U. of T. Senate and its many committees, on several presidential committees culminated in his appointment in 1968-69 to the post of Co-Chairman of the Commission on University Government.

Not confining his interests and activities to the local scene, Larry has responded generously to calls for his service on civic, national, and international bodies. In the fifties he was active with the World University Service of Canada, the Canadian Institute of Public Affairs, and the American Catholic Philosophical Association of which he was president in 1958-59. He was president of the Ontario Catholic Education Association in 1960-62.

More recently he has been active with the Vanier Institute of the Family, the Canadian Conference on Children, of which he was a founding director, the Montessori Schools of Toronto, and the Science Research Associates of Canada, of which he is also a director.

Larry and his wife, Dr. Abbyann Lynch, Associate Professor of Philosophy, have six children, Lisa, Mimi, (Mrs. Stephen Gregoire), Edward, Martha, Paul, and Christopher.

Until this appointment by the Collegium of the University of St. Michael's College, the duties of both Principal and President had been performed by the chief executive officer, the President.

As Principal Dr. Lynch's chief concern will be with undergraduate education. He will be Program Director, and Chairman of the College Council. He will be the representative of St. Michael's on the Council of the Faculty of Arts and Science, and its Committees, and a member of the Collegiate Board of the University of Toronto. He will continue to teach part-time.

Dr. Lynch brings to his new office the hearty best wishes of colleagues and alumni with whom he has worked energetically and cheerfully for many years.

Anniversary Plans

At the General Membership Meeting, Andy Paskauskas, Chairman of the Planning Committee, outlined the following events for the 125th Anniversary of St. Michael's, and the 150th Anniversary of the U. of T. in 1977.

Reunion and Homecoming

The Annual Reunion in June and the Homecoming in October will be the main social events for the alumni. Instead of featuring the honoured years exclusively, these events will be of a more general nature. The honoured years will be indeed featured, but to the June Reunion will be invited all alumni up to 1965. To the October Homecoming alumni since 1965 will be invited. Firm dates for these events will be published in the Winter Newsletter.

Solemn Pontifical Mass

The liturgical event will be the Solemn Pontifical Mass of Thanksgiving in St. Basil's Church at 1:30 p.m. on Sunday, September 25, 1977.

The Principal Celebrant will be the Chancellor, the Most Reverent Philip F. Pocock, D.D., J.C.D., Archbishop of Toronto. The homilist will be His Eminence George Bernard Cardinal Flahiff, CSB, '25, Archbishop of Winnipeg.

Grand Reception and Tea

The Solemn Pontifical Mass will be followed on September 25th by a Reception and Tea, 3-5 p.m. in Brennan Hall. General Convenors of this event are Sister Rita Marie McLean, Dean, St. Joseph's College, and Sister Diane Bridges, Dean, Loretto College.

Historical Exhibit

A feature of the observance of the Anniversary will be an historical exhibit under the supervision of Mr. Jim Meechan, assisted by Father Scollard.

Mr. Meechan outlined, at the General Meeting, his plans for a documentary, pictorial, and artifact exhibit of the 125 years of St. Michael's. The exhibit will probably be housed in East Elmsley Lounge. It will be open to the public, as well as to the St. Michael's community. The dates of the exhibit are still to be finally determined.

Mr. Meechan pointed out that the assistance of all alumni is urgently needed in this project. They are asked to search out any such material of historical interest that is in their possession or in that of their relatives and friends.

Celtic and Irish Studies

During the 1975-76 academic year the first course in Celtic and Irish Studies, "Celtic Culture Through the Ages", was introduced and attracted 72 students. Using representative Irish, Scottish, Welsh, and Breton texts, this course traces the survival of Celtic Culture over two thousand years and the expression of the Celtic consciousness in literature, history, folklore and myth. During the academic year 1976-77, the course will be offered at St. Michael's College on Monday and Wednesday from 4-5 p.m., and at Woodsworth College on Monday from 7-10 p.m.

A Celtic Arts Society has also been formed at the College and will feature lectures, musical, and theatrical presentations during the next academic year. Mrs. Sean O'Casey and the poet Thomas Kinsella will be among the guest lecturers. For further information on joining the Society contact Professor O'Driscoll.

Professor O'Driscoll has won for the University of Toronto the right to edit and publish the hitherto unpublished works of William Butler Yeats. With Dr. Lorna Reynolds, University College, Galway, he has already edited and published the first three volumes in the series: *Yeats and the Theatre*, *Yeats and the Occult*, and *The Speckled Bird*.

Father Joseph Penny, CSB, Appointed Chaplain

Fr. Joseph G. Penny, CSB, '48, has been appointed chaplain at St. Michael's.

Since his ordination in 1953 Fr. Penny has had appointments at St. Michael's College School, St. Charles College, Sudbury, the University of Windsor, where he was assistant chaplain, and again at St. Michael's College School where he has been Superior since 1970.

Fr. Penny has an M.A. in English from the University of Ottawa, and M.A. in Theology from the University of Windsor.

Father McConica, Killam Scholar

Father James McConica, CSB, of the Pontifical Institute of Mediaeval Studies, has been awarded a Killam Senior Research Scholarship for 1976-77 for his research on the history of Oxford University. Father McConica, a former Rhodes Scholar from Saskatchewan, is editor and part-author of the third volume of the official history of Oxford. His volume, on Tudor Oxford, deals with the Reformation period and the development of the college system. He is the only editor in the official history, which will run to eight or nine volumes, from outside England. Other editors appointed to date include Professor H.R. Trevor-Roper, Regius Professor of Modern History, Oxford University, and Dame Lucy Sutherland.

While in England Father McConica will be Visiting Fellow at All Souls College, Oxford, where he was a Fellow also in 1969-71 when the history was first being planned. He will address the Royal Historical Society this September, and give a special Ford Lecture at Oxford in 1977. Father McConica was recently elected representative for Canada on the International Commission for the History of Universities within the International Congress of Historical Sciences.

Holdings List of Publication of St. Michael's

The Archivist, Father R.J. Scollard, CSB, has prepared a Holdings List of serials published by St. Michael's, its students, and its Alumni Association. Copies of the booklet were distributed to alumni attending the General Meeting in May.

Father Scollard points out in his introduction:

"As used here the word 'serial' includes periodicals, newspapers, annuals or other publications issued in parts which were intended to be continued indefinitely and which usually had numerical or chronological designation or both.

"Regrettably neither staff nor students were careful enough to save copies of publications which are now a basic source of information about day to day activities at St. Michael's. One reason for publishing this booklet is to invite owners of copies missing in St. Michael's Archives to donate them or to permit copies being made so that complete sets will be available. Another reason is to make the present holdings of the Archives known to all who are interested in the history of the University of St. Michael's College."

Alumni are urged to take part in this search for missing material. They may obtain a copy of the booklet by writing to *The Newsletter*.
